

Featuring Nilda Rivera

In 2012, Nilda joined the Special Touch Team on a Missions Trip to the Dominican Republic. She is not a stranger to Latin America, since she was born in Puerto Rico and often visits her parents there. As a Missionary Associate with Special Touch, she will continue going on Missions Trips.

Nilda also has a heart for women who have been abused. She is an accomplished speaker and a frequent featured singer in her church's musicals. Nilda plans to fulfill her call as God opens doors.
